“I don’t normally post speaker reviews but I had Bill Boggs to my CE and Key groups this month and he was simply outstanding. His topic is ‘Got What It Takes?’. In addition to winning 4 Emmys, he’s interviewed over 2,000 highly successful and famous people over the last 30 years and he has put together a very entertaining and meaningful presentation on What it Takes to be a Successful Leader. He earned 14 5s and 2 4s in my CE group and 10 5s and a 4 in my Key. More importantly I ended up with a stack of Personal Action Summaries to work during 121s. I highly recommend him!”
